

# Median & Centroid Constructions Practice (SHOW YOUR WORK!)

**For each triangle, construct the median from vertex A.**

1)

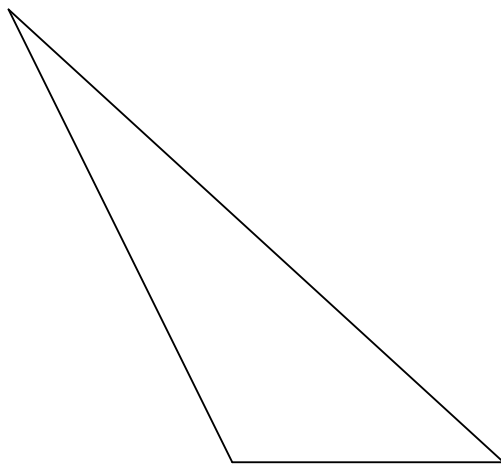

2)

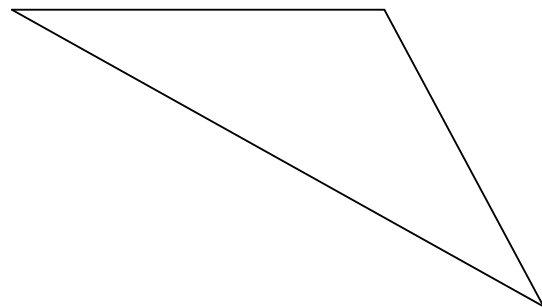

**Locate the centroid of each triangle.**

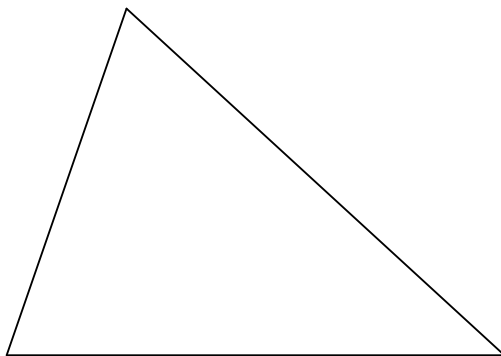

3)

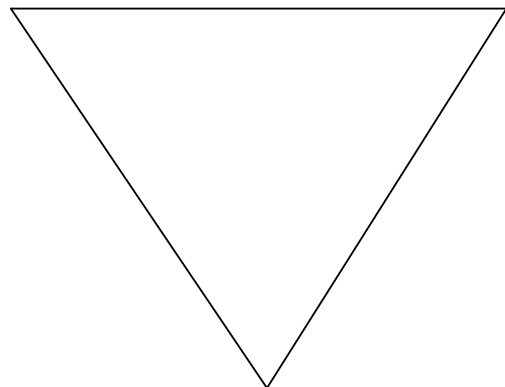

4)

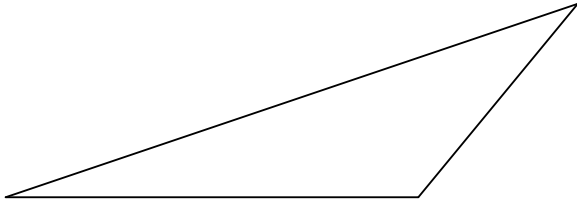

5)

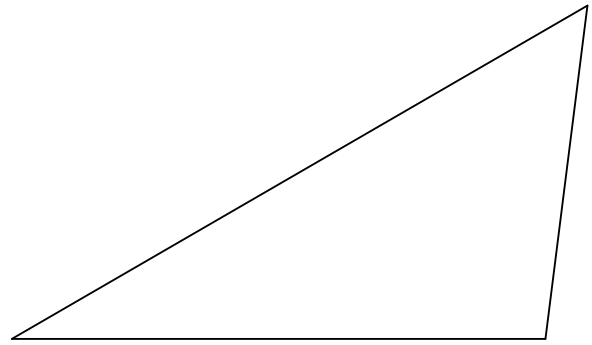

6)

7)

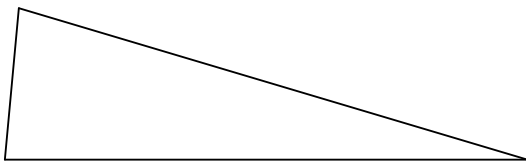

8)

**Review - Locate the circumcenter of each triangle. Then construct the circumscribed circle (circumcircle).**

9)

**Review - Locate the incenter of each triangle. Then construct the inscribed circle (incircle).**

10)
