Assignments are the best way to learn and practice math topics. If you work on your assignments conscientiously, you should be able to perform well on tests and quizzes.

➔ Staple together the log and each assignment BEFORE you enter class.

- **ALWAYS Fill in** log completely. . [Assg#, date, section, pg & prob.]
- I will check your work and assign a \checkmark , $\checkmark-$, or a **0**.
- A \checkmark indicates full credit, and $\checkmark-$ indicates 1/2 credit.
- *Assignments are checked for completion & sometimes correctness.* **
- We review all assignments in class, and you are responsible to make *corrections*** in **RED OR Blue ink.**
